# **SUNSHINE COAST COUPLE'S SUPER \$800,000 GOLD LOTTO WIN**

A Sunshine Coast couple couldn't believe their luck when the Super Quick Pick ticket they almost didn't buy netted them \$800,000 in Saturday night's Gold Lotto draw.

"My wife and I went into the shop to buy a Quick Pick in Saturday night's draw," the husband said.

"The girl at the counter asked my wife if she would like to buy a Super Quick Pick with 18 games and my wife agreed.

"The most amazing thing is that we won the \$800,000 on game 15!

"We wouldn't have won anything if we'd just gotten the normal 12 game ticket.

"Needless to say, we are very grateful."

They purchased their winning ticket from **NewsExtra La Balsa** at Kawana Shoppingworld in Buddina.

This was the third division one lotto win sold from the Sunshine Coast in the past six weeks.

A \$1 million Wednesday Gold Lotto prize sold from Noosa Junction Newsagency on in October and another \$1 million prize in Saturday Gold Lotto was sold from newsXpress Mountain Creek earlier this month.

The couple are still in shock over their good fortune and say they don't have solid plans for their windfall.

"At the moment we're just thinking about putting it towards our retirement," the man said.

There were five division one winners in Saturday night's Gold Lotto draw. Two of the winning entries were sold from Queensland, two from Victoria and one from Western Australia.

The winning numbers were 36, 37, 28, 11, 40 and 19. The supplementary numbers were 17 and 29.
